**DANCE MELA 2023
THE PROUD CHAMPIONS**

MILESTONE 1

A friend is someone who understands your past, believes in your future, and accepts you just the way you are!!!

Buddy Day@TGWS...

MILESTONE 2

It was some great times and some great moments... I'm proud to be a TGWS Alumni. If it wasn't for my time there, there's no way I'd be excelling in my field!!! Open up by our Alumni.

MILESTONE 3

Great achievement is usually born of great sacrifice, and is never the result of selfishness proven by our TGWian's Dance Troupe.

Buddy Day 2023

Students of The GeeKay World School, Ranipet, celebrated 'Buddy day' on 4th February, 2023, in the school campus. The school organized the event in an engrossing way, by welcoming them to the first session of the programme called Ice Breaking Activity. They were then taken for a school tour. Students and their buddies participated and played a variety of games on the school ground which built in great connectivity and team spirit.

They also had a great time watching some wonderful dances. Buddies are very important people in our lives. They provide support at all times. Children loved the lip-smacking snacks served to them and heartily enjoyed precious moments spent in the company of their best buddies. The day ended with an Art & Craft activity of framing a photo, of theirs, which was simply astounding!!!

Well done Buddies. Hope to see you soon with us!!!

Annual Alumni Meet 2023

"As a leader, it is important to not just see your own success, but focus on the success of others".
Sundar Pichai

The GeeKay World School Annual Alumni Meet 2023 was organized in the campus on 18th February, 2023 with lots of zeal and enthusiasm to reconnect with the Alumni and celebrate their success stories and achievements in various fields and parts of the world.

Around sixty five Alumni attended the Alumni Meet. They were greeted at their School by the Head of School, teachers, students and management with lots of happiness and pride. The programme began with a prayer. Ms. Mujeeba, CBSE Coordinator welcomed the gathering. A few cultural events were organized for them. Ms. Sharon, CAIE English Facilitator and Mr. Manigandan, Sports HOD conducted games as a part of the Ice Breaking Activity. Ms. Joyce presented a PPT titled Memories of School Days. The Alumni enjoyed watching all the events and recounted their old School days. The most important event was the interaction between the Alumni and Grade 11 students. They raised queries on colleges, courses, internships, placements, workshops and the challenges they faced with the reality. It was a beautiful moment to listen to their real-life experiences. Our Managing Director Mr. Vinod Gandhi addressed the Alumni and requested to build the Alumni Community into a strong and vibrant association every year. He also wished them for their future endeavours.

Alumni appreciated the positive role played by the teachers and the school in shaping their careers and lives. Friendly cricket and throwball matches were held between Staff and Alumni. It was a great moment to watch them play in their old School Ground. The programme came to an end with the vote of thanks proposed by Mr. Boopathy, followed by the National Anthem.

Dance Mela 2023

The Round Table International - Vellore organised a dance Mela on 28th January, 2023 to identify the talents of budding artists. Students of TGWS were immensely excited and pleased to be a part of this competition as they could showcase their talents in various conventional and contemporary dance forms.

Our students participated and gave their best in the following categories - Solo Classical (Senior) - Bharatanatyam, Group Free Style(Junior), Group Indian Folk (Senior) & Group Indo Western (Senior). Our children grandiosely walked away with the following prizes and also won the overall Championship.

Group Indo Western (Seniors)- First Place

Group Free Style (Juniors) - First Place

Group Indian Folk (Seniors) - Second Place

We, at TGWS believe that students will progress and develop faster when they are constantly in healthy competition with their peers. In addition to displaying our student's talents, it was also an opportunity for our children to interact with other budding dancers. Congratulations young Dancers. We are proud of you!

Sports

State Level Inter School Athletic Championship

On Sunday, 12th February, 2023 at SDAT, Nehru Park Chetpet, Chennai, our students participated in a State Level Inter School Athletic Championship 2023.

The details of prizes won are as follows...

S.NO	NAME OF THE STUDENT	GRADE	EVENT	MEDAL
1	S. ADITHYA	II	MEDICINE BALL THROW	GOLD
2	V. SANGAMITHRA	IX	200 MTS	GOLD
3	S. ASHWIN	VIII	SHOT PUT	SILVER

Inter School Athletic Competition

TGWS excels in Inter-School Athletic Meet.

The budding young athletes of TGWS participated in the Inter-School Athletic Meet held on 4th January, 2023 in connection with the 74th Republic Day at Sriperambadur and brought laurels to the school. Our energetic athletes won 16 Bronze medals in this event and were placed in Overall Third Position.

Congratulations! Make winning a habit...

SRI RITHIKA -K3 KIWI

GOVARSHAN -K3 LITCHI

EVENT REPORT

Colour of The month - Pink

"Pink isn't just a colour. It's an attitude, too". To celebrate the month of love, pink was chosen as the colour of the month. It symbolizes sweetness, innocence, and affection. Our little ones from K1 decorated a birthday cake with pink painted cotton, whereas K2 Kiwi pasted glitters and roses for a cute Barbie girl, and K2 Litchi pasted bits of paper on Ken. Meanwhile, K3 Kiwi did bud prints on balloons, and K3 Litchi did fork prints on hearts. Students were sent home with a crown filled with heart images. The notice board was decorated like Barbie's world. Let's go to Barbie's party!!!

Indoor activity

EVENT REPORT

'Almost all creativity requires purposeful activity.'

Our K2 children were learning about community helpers, and they had a game called "Guess the Tools," where they identified the tools used by different community helpers. As the students of K3 were learning about sense organs, they had the 'Search Texture' activity. Children were curious to find out objects of the same texture in and around their classroom.

Resource Parent

Ms. Vijayalakshmi, M/O Veeraraghavan, K2 Kiwi was invited to the Resource Parent programme. As K2 children learned about safety, she explained to them the importance of being safe with objects and places we use in our daily lives. Also, she taught the students about safety measures to be followed every day in order to lead a secure and accident-free life.

Safety first is safety always!

Assembly

EVENT REPORT

Our kindergarteners are excellent at presenting their skills during assembly. This month, students in K-3 Litchi highlighted the importance of “self-discipline” through their performances in assembly. Succeeding them, the K2 Kiwi little ones presented a vibrant feast of “colours.” On Valentine’s Day, the sweethearts of K2 Litchi executed a brilliant show on the theme ‘Love Everyone’. Finally, the blossom buds of K1 Kiwi staged their display as ‘Fruits and Vegetables’. All the assemblies were on different themes, and the students nailed performing all genres like speech, dance, presenting skits, and songs. Each assembly was concluded by a video presentation and the teacher talk about respective HRT classes emphasising a moral value.

We are always rocking!

EVENT REPORT

Special Activity

Valentine's Day is a time to celebrate love, friendship, and the joy of having other people in our lives. In order to commemorate this day, our little ones involved themselves in bouquet-making. The kids from K1 made heart-shaped stick men and gave them to their classmates. K2 Kiwi students made bouquets with greeting cards, and K2 Litchi children made a bouquet with their palm print cutouts. Students from K3 Kiwi made a bouquet with paper flowers, whereas K3 Litchi children compiled heart pictures into a bouquet. They were excited to make bouquets and give them to the dignitaries.

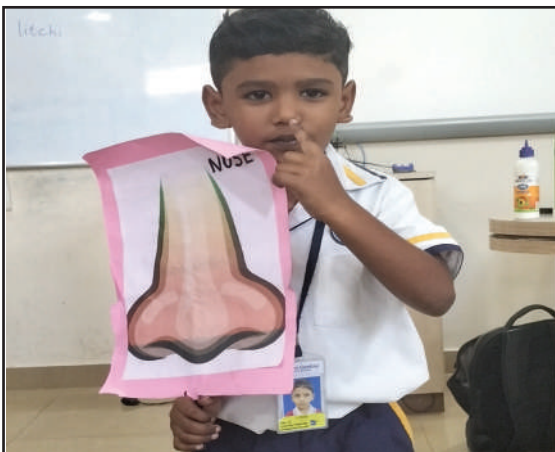

Love makes life beautiful!

EVENT REPORT

Talent Hunt Show

Our children were very proud to express their skills in every talent hunt show. This month, our K1 and K2 students did the 'Fashion Parade'. Students in K1 dressed up like fruits and vegetables, and K2 children imitated community helpers and spoke about them. K3 kids had "handicrafts," where they made models of sense organs and spoke about them. The sense organs are vital!

SLC

EVENT REPORT

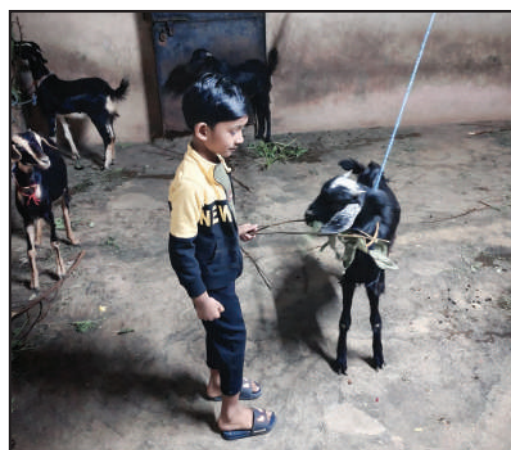

A Students-Led Conference is a pre-planned meeting in which students demonstrate their 'learning' by providing a review of their work for parents. It is a great chance for the parents to witness their children's portfolios in their classroom. Parents were amazed by the enthralling explanations of our Kindergarteners. We are the leaders!

Special week

This month, our titters were taught about "caring for animals".
"It's not a weakness to care for animals, it's a strength!"

Every animal in this world needs to be taken care of by providing food, shelter, and veterinary care. Our students learned the value of being kind to pet animals and the need to take care of them. All of them went on to pledge that they would shower unconditional love on animals.
Don't harm any animal!

Outdoor Activity

EVENT REPORT

Our K1 kids had a "Hike in Campus." They explored the campus and learned the names of trees and flowers. The students of K2 were taken to Ranipet Fire Station for their field visit. As they are learning about community helpers, they interacted with the firefighters. The fire officers explained the causes of fire accidents and the precautions to be taken. Children were happy to experience the role of a fire truck. They were excited to witness water splashing from the hose pipe and enquired more about the ways to put out the fire during the fire accident. The students of K3 were taken on a "nature walk" around the school, where their sense organs took in the chirping birds, colourful flowers, the softness of the leaves, the fragrance, etc. We Love Nature!

EVENT REPORT

Home PTM

This month our facilitators visited the areas in and around Muthukadai, Ranipet, and Arcot. The students and their parents were excited to meet all the teachers and share their experiences. What a satisfying visit!!!

Teacher Talk

Greetings everyone!

In a world of today, I observe all the time that most of us seem to be lost in finding the true meaning of the term "Education". What is education? Is literacy the same as education? Is there a difference between the two?...some of the questions that I used to ponder upon...the similarities and differences that we find blurred within ourself. Finally, after struggles, adversities, success and failures through years as a literate individual, I could only consider myself as "Educated" with what the experiences and challenges taught me in life. The learning was that "The ability to read and write just makes me merely literate -- But, I can call myself educated when I know how to make what I learn a part of myself, my decision making and the way I see, respond and react to the situations, surroundings and environment around me."

There's no other place better than a school where we can truly become educated where our quest to become literate can be merged with experiential learning, being involved in the learning phase to influence our attitude and personalities in a positive manner. The result can be a tribe of individuals who are equipped with the 21st Century Skills to succeed in life by adding value to the literacy that they carry with themselves as academic documentation...The education, they carry with them as their own identity, the individuals they become...educated, self-aware, self-reliant, responsible and reliable human beings who can bring pride to everyone associated with them.

I am delighted to be a part of this outstanding institution... a house of learning that shares the same vision and mission that gives me the purpose of being who I am...a Facilitator, an Educator. This is a haven of mature individuals sharing genuine care and compassion towards the students, staff, parents...the system and every single stakeholder as a whole.

Wherever there is light, there's darkness, too.....wherever there are accomplishments, there are challenges, too, as they're everywhere -- But, challenges also pave a way for us to learn better, grow better and become a better version of ourself through time.

I am grateful to The GeeKay World School for offering me this platform to take forward my journey of educating students, self improvement, personal and professional growth. This astonishing journey with passion, joy, challenges and satisfaction. Our students of today are the ones holding the keys to tomorrow!

"Think and Live Beyond!" Let's be Educated in Life, not just merely literate on papers.

Mr. Navan .N
Middle School English Facilitator

Parent Talk

As Benjamin Franklin once said, "An investment in knowledge pays the best interest" and the Geekay World School lives up to it by offering the best education system to our children .

I am delighted to be a part of such a wonderful community where each child is taken care of and given importance. I, as a mother of Samhithapaari , have been through every stage of my child's development in this school for more than 12 years. Their infrastructure and school environment makes the child comfortable to explore and be more optimistic . The Geekay World School trains your child not only academic skills but also other extra curricular activities like swimming , skating , cultural arts ,sports , etc. The school also offers competitive exams in their curriculum . The teachers give priority to mould children into better and responsible citizens of the society , and what more could you ask for ?

Dr.R.Kanimozhi
P/O Samhitha, Grade 9

News Release

ஒருங்கிணைந்த வேலூர் மாவட்ட டான்ஸ் மேளாவில் ராணிப்பேட்டை ஜி.கே. உலக பள்ளி சாம்பியன்

● ராணிப்பேட்டை

ஒருங்கிணைந்த வேலூர் மாவட்ட பள்ளி மாணவ, மாணவிகளுக்கான டான்ஸ் மேளாவில் ராணிப்பேட்டை ஜி.கே. உலக பள்ளி மாணவர்கள் முதலிடம் பிடித்து சாம்பியன் பட்டத்தை வென்றனர்.

வேலூர் ரவண்டு டேபிள்-23 மற்றும் வேலூர் லேடிஸ் சர்க்கிள் 41 இணைந்து பள்ளி மாணவ, மாணவிகளுக்கான டான்ஸ் மேளாவை கடந்த 22 ஆண்டுகளாக நடத்தி வருகின்றன. அந்த அமைப்புகள் சார்பில் கடந்த மாதம் 25-ம் தேதி 2022 -23 ம் ஆண்டுக்கான பள்ளி மாணவ, மாணவிகளுக்கான டான்ஸ் மேளா நடைபெற்றது.

வெளிப்படுத்தினர். இந்த போட்டியில் பங்கேற்ற ராணிப்பேட்டை மாவட்டத்தில் உள்ள ஜி. கே. உலக பள்ளி மாணவ, மாணவிகள் முதலிடம் பிடித்து சாம்பியன் பட்டத்தை வென்றனர்.

Save the Bees

Happily living in harmony
Thousands in a community
Relatives, cousins, brothers
Soldiers holding shoulders
Queen their head leading
Multiplying by breeding
Division of labour commanded
Keeping busy demanded
Singing, humming, dancing
Flying, buzzing, swarming
Gathering sweet honey
Without spending money
Beautiful sight of the beehive
Next to the window they live
Suddenly came pesticides
Demolishing the hive asides
Alas! They fell one by one
Ripping apart my heart stun
Honeybees save the planet
Without it we will be nonextant
Never ever be a Bee hater
Destroying the prime pollinator
Take an oath to save the bees
Prevent their extinction
PLEASE...

PRIYA JOSHUA,
Cambridge Biology
Facilitator, The Geekay
