VOLUME : 11

ISSUE : 6

Honourable Deputy Chief Minister of Tamil Nadu,  
Thiru. Udhayanidhi Stalin inaugurated the TGWS  
Badminton Academy

"Veetukoru Vignaani," the science exhibition by  
Puthiya Thalaimurai news channel, was hosted by  
TGWS

TGWS hosted the 9th Interschool Sports Festival that  
brought together more than 550 talented students  
from various schools.

# Science Expo - Veetukoru Vignaani 2025

"Veetukoru Vignaani," the prestigious science exhibition organised by Puthiya Thalaimurai news channel, was graciously hosted by The GeeKay World School on November 14, 2025. Mr. Vinod Gandhi, Managing Director of The GeeKay World School, inaugurated the event. A total of 38 schools participated, featuring 280 exhibits from both junior and senior categories. The students showcased remarkable innovation and scientific spirit through their impressive working models.

Thiru R. Gandhi, the Honourable Minister of Handlooms and Textiles, Tamil Nadu, presented the awards for the best exhibits, making the moment even more special for the students. Eminent figures, including Dr. S. Jagannathan (Scientist, Pasteur Institute), Mr Balaji Varadhan (Founder, Village Technology School), Mr Vinod Gandhi (Managing Director, TGWS), and Mr Ram Kumar (Head of School) graced the valedictory event.

We are incredibly proud of the TGWS Junior team (Solar-assisted Bus- Srinika & Kavibharathi - Grade VII) for securing Third Position and celebrate the outstanding achievement of our Senior team (Segregation & Co-collection – Hamsini & Nethra – Grade X), who won First Position! This victory is a testament to their hard work and dedication. A huge thanks to our dedicated teachers and supportive parents. It is a proud moment for our entire school community!

# Inter School Sports

The GeeKay World School hosted the 9<sup>th</sup> Interschool Sports Festival on November 14<sup>th</sup> and 15<sup>th</sup>. This two-day event brought together more than 550 talented students from various schools. The festivities kicked off with a march past of the participating schools.

The event featured an array of exciting sports and track events, including the 4x100m relays, swimming, skating, football and tennis for boys and girls under various age groups.

We are happy to share that TGWS won the following prizes:

Skating
8 Gold, 11 Silver, and 3 Bronze
Swimming
20 Gold, 26 Silver, and 28 Bronze
4x100 m relay
U/14 Boys and Girls - I place
U/18 Girls - II place
Tennis
U/14 Boys and Girls - Winners
U/18 Boys & Girls - Winners
Football
U/14 and U/18 Girls - Winners

The event culminated in a grand closing ceremony, where the Head of School distributed prizes to the winners.

## Inauguration of TGWS Badminton Academy and GeeKay World Convention Hall

The GeeKay World School had the distinguished honour of hosting the Honourable Deputy Chief Minister of Tamil Nadu, Thiru. Udhayanidhi Stalin, for the inauguration of the TGWS Badminton Academy in collaboration with the Padukone School of Badminton and the GeeKay World Convention Hall.

The event commenced with a warm welcome to the Honourable Deputy Chief Minister and other esteemed dignitaries. A vibrant cultural performance by the students of TGWS added colour and energy to the celebration, beautifully blending tradition and modernity. The Honourable Deputy Chief Minister then inaugurated the facilities by unveiling the plaque, marking a proud milestone in the GeeKay's journey of excellence.

The guests of honour included Thiru. R. Gandhi, Honourable Minister for Handlooms and Textiles and Chairman of The GeeKay World School; Thiru. Jagathrakshakan, Honourable Member of Parliament; and Thiru. Vinod Gandhi, Managing Director and Thiru. Santhosh Gandhi, Director of Operations of The GeeKay World School.

The Deputy Chief Minister later addressed the gathering, appreciating the school's efforts in promoting sports and holistic education, and encouraging students to pursue excellence with dedication and discipline. Following the inauguration, the Honourable Deputy Chief Minister visited the badminton courts, interacted with young players, and inspired the students with his sportsmanship and enthusiasm.

## Junior Men's World Cup Hockey Trophy arrives at The GeeKay World School

The Men's World Cup Hockey Trophy arrived at The GeeKay World School, Ranipet on 24th November 2025, creating an atmosphere of pride and celebration across the community. The event was graced by Thiru R. Gandhi, Minister for Handloom & Textiles, District Collector Ms. Chandrakala IAS, Arcot MLA Mr. Eswarappan, and Ranipet Hockey Association President Mr. Vinod Gandhi, and District Sports Officer, Mr. Gyanasekaran who jointly unveiled the prestigious World Cup trophy.

A lively welcome dance by students of The GeeKay World School set an energetic tone for the ceremony. The dignitaries played a few symbolic hockey shots on stage, delighting the crowd.

Hockey teams from various schools and colleges attended the programme. The ceremony concluded with the National Anthem, filling the atmosphere with unity and a sense of patriotic pride.

# Children's day

Children's Day was celebrated with great enthusiasm at TGWS. Teachers entertained children with a variety of engaging activities filled with laughter and joy, leaving lasting memories for everyone involved.

## Book Fair

A book fair was held in our school from 20<sup>th</sup> to 22<sup>nd</sup> November. The event was organised in the wonder room, which was decorated with colourful banners and posters to create a lively atmosphere. There was a wide variety of books for students of all grades that included storybooks, encyclopedias, dictionaries, novels, activity books, and educational materials. Students eagerly visited the stalls during school hours and explored books of their interest. Teachers guided the students in choosing age-appropriate and useful books. Parents also visited the fair and appreciated the wide range of books available.

The book fair encouraged reading habits among students and provided them with an opportunity to discover new genres and authors. Overall, the event was a great success and helped promote a love for reading in our school community.

# Colour of The Month - Yellow Day

Our little stars celebrated Yellow Day with plenty of fun and cheer! Children and teachers came dressed in bright yellow outfits, filling our classrooms with sunshine and smiles. The little ones enjoyed hands-on activities and created their own DIY takeaways, colouring and decorating them beautifully in yellow.

The K1 Kiwi students created a Flounder Fish using crayon shavings. K2 Kiwi children made Pluto using plastic bag printing, while the Litchi students created Tweety using sponge dabbing. The Strawberry students designed SpongeBob with folded paper pasting. K3 Kiwi students crafted a Minion with glitter, the Litchi students made Pikachu using satin ribbon pasting, and the Strawberry students created Pooh using bits of paper.

It was a bright, joyful day filled with creativity, laughter, and lots of yellow magic!

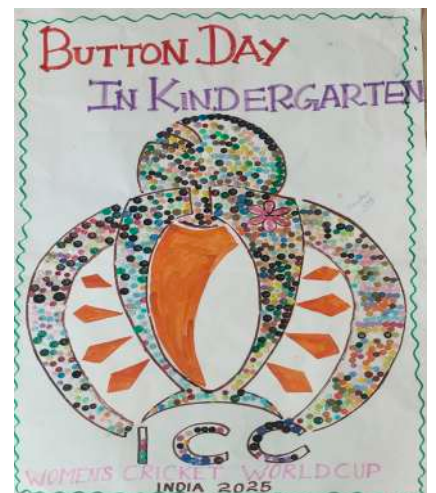

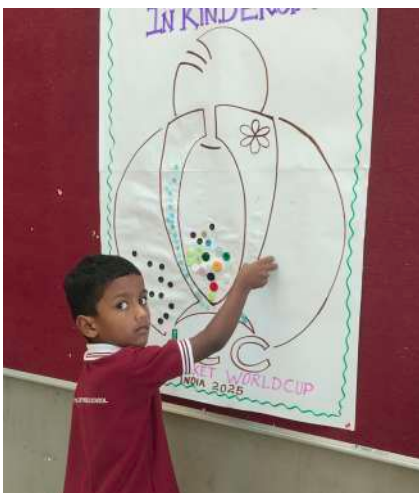

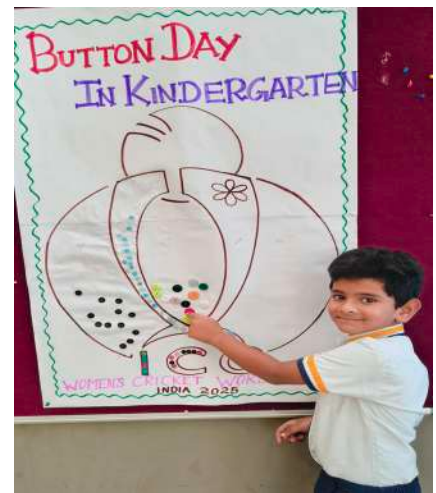

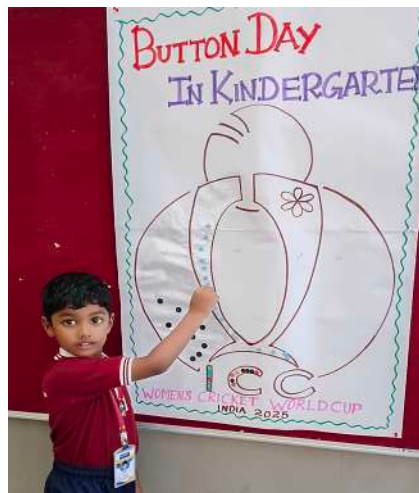

# Button Day Celebration

Our Kindergarten happily celebrates Button Day every year, and this year's event was especially colourful and fun-filled! Children brought in a wonderful collection of buttons in various colours, shapes, and sizes, which instantly brightened our classroom.

Together, the children glued buttons onto a large ICC World Cup picture, creating a vibrant piece of art. They also made takeaway crafts by decorating themed cutouts. The girls decorated a skirt and shirt cutout, while the boys adorned a shirt picture cutout with buttons. It was a day full of creativity, teamwork, and colourful button magic!

## Edu-Sports - Fundoo Days

Our little champions had a fantastic time during the Fundoo Days programme, a special series of friendly games conducted as part of the Edu Sports initiative. The activities were designed for every child to join in, play happily, and feel like a winner!

**Fun-Filled Activities** - Children enjoyed a mix of joyful, skill-based challenges that kept them running, hopping, laughing, and cheering throughout the event!

**Encouraging Participation** - The games inspired even our shyest learners to take part. It was heart warming to see them try new things, cheer for their friends, and celebrate every big and small success.

**Smiley Badge Moments** - Our K1 children proudly received smiley badges for mastering their fundamental movement skills as part of the Fundoo Days programme. They were also thrilled when Ms. Merline Powell, Coordinator, Pre-School, rewarded them with badges for their enthusiastic participation and growing confidence.

## Resource Parent Session

As part of our monthly theme, "Animal Kingdom," we were delighted to welcome Dr. Abinaya, the parent of Adhiyan from K2 Kiwi, as our Resource Parent. Dr. Abinaya, a veterinary professor, made the session very inspiring.

She conducted a brief yet thought-provoking session about different animals, their features, their habitats, and how we care for them. Dr. Abinaya also led interactive activities that kept the children curious and excited.

What made this session truly special was that the entire kindergarten participated together, exploring the world of animals with joy and enthusiasm.

## Talent Hunt Show

Our monthly Talent Hunt Show is a fun and exciting opportunity for our little learners to showcase their creativity and confidence. This month's theme was "Animal Kingdom".

**K1 – My Furry Friend:** Children spoke a few lines about their favourite animal.

**K2 – Story Narration:** Children narrated an animal story, dressing as their characters and using props.

**K3 – Little Minds, Big Stories:** Older children created and narrated their own imaginative stories.

It was wonderful to see all our little stars shine, express themselves, and have fun!

## School Cinema

During our School Cinema session, the children explored the beautiful value of friendship through the heart warming story "Roxy and Melody's Best Day Ever." The film highlighted how friends support each other, share joyful moments, and make every day experiences extra special.

After watching the story, our little ones enjoyed colouring the characters and completing fun follow-up activities connected to the movie. These hands-on tasks helped them understand the message even better and sparked many happy conversations about their own friends.

It was a wonderful learning experience filled with smiles, creativity, and the true spirit of friendship!

## Home Parent-Teacher Meetings

As part of our ongoing effort to better understand each child, our teachers visit students' homes every month. These visits help us learn about each child's home environment, daily routines, and learning habits. They also provide a welcoming space for parents to share their thoughts, ask questions, and celebrate their child's progress.

This month's visit was particularly special and filled with fun! We had the pleasure of visiting a large, loving family, and it was wonderful to see so many little children from the same home studying at our school. The excitement, laughter, and togetherness made the visit truly memorable, reminding us of the important role family support plays in every child's learning journey.

## Field Trip \_ Farm Visit

Our K2 children went on an exciting field trip to a farm in Arani, where they explored a variety of animals and birds.

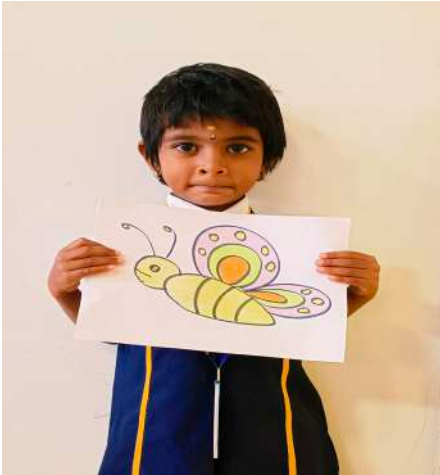

The children were thrilled to see ducks, pigeons, rabbits, hamsters, chicks, and many types of hens and roosters. They even had the opportunity to touch some animals and joyfully chased the bunnies around the farm! They also had fun imitating animal sounds, which brought lots of laughter.

After all the adventures, they took cheerful photos with their teachers, making it a truly memorable day.

# Outdoor Activity - Animal Kingdom

This month, our outdoor activity was full of excitement as children dressed up as their favourite animals and imitated them:

**K1** children learnt about birds by chirping, flapping, and hopping like little birds.

**K2** students explored farm animals by making different animal sounds and walking like the animals found on a farm.

**K3** children learnt about wild animals, their young ones, and the homes they live in, gaining a better understanding of the animal world.

It was a fun-filled activity that combined movement, learning, and imagination, leaving all our little ones happy and energised.

## Student Article

### A Mother's Embrace

She's always there when times are hard,  
She heals my soul when my heart is scarred.  
By my side through thick and thin,  
Steadies me when my head spins

When nights are cold, and shadows creep,  
And fear evades my fragile sleep,  
Her gentle arms erase my fears,  
Her tender hand upon my face

She whispers, "It will be alright."  
Her love, my ever-guiding light.  
She loves me true, for who I am,  
Not marked or judged the way some can.  
A mum like her, who can find?  
Who she is, is one of a kind

-Amelia Abigail Samuel  
GXI- CBSE

# Teacher Talk

Being a Kindergarten teacher has been one of the most joyful journeys of my life. Every day, I walk into a classroom filled with tiny footsteps, bright smiles, and endless curiosity. I have learnt that teaching the little ones isn't just about letters and numbers; it's about building confidence, shaping habits, and nurturing a love for learning.

I feel truly proud when I see my students try something new with excitement. That little spark in their eyes when they say, "Mam, I did it!" is what makes teaching so meaningful. Watching them grow from shy beginners to confident learners is the greatest reward I could ask for.

Over the years, I've realised that patience, love, and creativity matter more than anything. A warm smile, a gentle word, or a small encouragement can make a big difference in a child's day.

During my training years, I discovered the deeper purpose behind the profession. It wasn't simply about delivering lessons; it was about touching lives, building foundations, and shaping futures. The more time I spent around children, the more I felt a sense of belonging. Their innocence, honesty, and enthusiasm made me feel that this was exactly where I was meant to be.

Being a teacher fills me with a sense of purpose that is hard to describe. There is something incredibly rewarding about knowing that every smile I share, every story I tell, and every small lesson I teach contributes to a child's growth. The classroom has become a place where I feel both responsible and inspired.

– Ms. Yuvarani.k  
– Kindergarten (K1) Teacher

# Parent Talk

As a new parent at The Geekay World School, I would like to express my sincere gratitude to the entire school community for the warm welcome our family and sons have received. Moving from Dubai to India was a challenging decision, and transitioning to a new school is a significant undertaking. We truly appreciate all the support that has helped our children settle in with confidence and ease.

I would especially like to acknowledge the dedication of the teaching staff, sports staff, and administrative team, whose support and guidance have played an important role in our children's adjustment. I also want to commend the school for its lunch programme. The effort put into providing a healthy, balanced, and appealing diet is truly appreciated. Additionally, the school's transport service deserves recognition. The punctuality, safety measures, and professionalism of the team have given us great peace of mind, knowing our sons travel comfortably and securely.

We look forward to the rest of the year with great enthusiasm and are thankful for the continuous efforts made by the school.

P.K. Fauziya
