CLASS XII GRADUATION DAY

CELEBRATING 12 YEARS OF HOLISTIC EDUCATION

MILESTONES

MILESTONE 1

Leadership Camp :

A plethora of opportunities for young minds to bloom with skills and investigate the universe with hands on experience is a massive effort.

MILESTONE 2

GC3 :

The colours, gaiety, rhapsody and the most memorable celebration brought out the talents of budding blossoms.

MILESTONE 3

Professional Development :

Learning explores the world and one's own self - revealed at TGWS' Professional Development of Faculties for about a week was a fabulous initiation.

AN ADVENTURE OF A LIFE TIME.

TGWS is always striving to unlock leadership potential in our students through exciting, enriching, and empowering experiences. With an active, well-trained and zealous group of facilitators, the students of Grade 4 to Grade 11 set out for a three-day leadership camp at Pondicherry.

From blindfolded trekking, obstacle races, human web game to storytelling sessions and strategic plank assembling activities, the camp allowed our students a plethora of opportunities to challenge thinking, set personal and school goals together and reflect on their growth and development. Getting a taste of living outdoors exposed our students to challenges that were exhilarating yet strengthened the will and the mind.

The students returned from the camp as transformed individuals ready to face the here and now, with an open attitude towards new and unknown things in life.

GC 3- 2022.

This year's GC3 was everything that we hoped and worked for, and more. It was colours, gaiety, rhapsody, and the most memorable celebration of the return to normalcy.

The showcase of the myriad talents of our Geekains, the cultural bonanza, the scrumptious spread of the carnival, the mesmerizing art display and the momentous felicitation of this year's achievers, enraptured everyone.

May we be granted many such wonderful arenas in the years to come, so that we may come together once more as one big TGWS family.

CONGRATULATIONS CLASS OF 2022!

Graduation is by no means the end of education, rather it marks the beginning of life outside the sheltered school walls. We celebrated this proud transition of our Geekains on April 30, 2022.

It was a day of recollection, reminiscence and reflections with our graduands and their parents taking the stage to speak at length about their enriching experience at TGWS. After a heartwarming song by Grade 9 paying tribute to their graduating seniors, the sombre pledge-taking led by our Head of School Mr Ram Kumar, and the official declaration by our Managing Director Mr Vinod Gandhi, took place. The event came to its close with our newly declared graduates flinging their caps up in the air, amidst resounding cheers and well-wishes.

May our graduates go confidently in the direction of their dreams and live the lives that they have imagined. May they make us prouder with their success and accomplishments. Farewell and Godspeed, Class of 2022!

Congratulations!

CAMBRIDGE INTERNATIONAL RESULTS – THE GEEKAINS HAVE DONE IT AGAIN!

The Cambridge International results for the March 2022 series were released on May 25, 2022. The students from Grade 10 IGCSE have brought glory to The Geekay World School's name yet again by securing a 100 percent exemplary achievement. Litika Ramesh has bagged a whopping seven A* grades in her subject stream

Tarun Balaji stands triumphant with six A* grades. The Geekains have proved to the world that they are always up to the rigour required by the courses that they undertake. They are the shining examples of TGWS' vision of future leaders of the world, with a strong desire to learn and excel. The school guides its students to believe in their infinite potential, so that they may keep persevering, raging, and daring to be what they are meant to be.

TGWS' Managing Director Mr Vinod Gandhi, Director of Operations Mr Santhosh Gandhi, and Head of School Mr Ram Kumar congratulated the victorious students, and the academic faculty for their facilitation and encouragement. It was truly a day of success and jubilation at The Geekay World School..

WORLD NO TOBACCO DAY

we are glad to announce that, the Director of Public Health and Preventive Medicine (DPH) has certified TGWS as one of the 100 Tobacco-Free Educational Institutions in Tamil Nadu. This means the entire staff-student population of the institution does not use any form of tobacco. Such a situation would prevent the world from achieving the sustainable development agenda, which aims at reducing deaths from tobacco-related diseases by a third by 2030. We are glad enough to serve as an example to this society

GOVERNMENT OF TAMILNADU
DIRECTORATE OF PUBLIC HEALTH AND PREVENTIVE MEDICINE
STATE TOBACCO CONTROL CELL

PROFESSIONAL DEVELOPMENT FACILITATORS 2022 – 23

The Professional Development of the Facilitators for the Academic Year 2022 - 23, of The Geekay World School for about five days was an extraordinary learning point for all the staff, be it new or existing.

Being the role model and Head of School, Mr. Ram Kumar, was guiding all the staff with the school policies, teaching strategies, innovations, technical approach towards Students leading to an innovative and effective teaching continued with the HR Admin Department for Completion of Joining Formalities and other leave policies was an excellent cover. The ethics to be followed at the work place was depicted through an activity.

An Insight in to various topics like Role of a Teacher by Ms. Preethi. N, Ms. Rachel. R & Ms. Joyce Madonna carried the show well enough with Fun Activities and Team Building Activities. An enlightening session with Ms. Logapriya, bringing in the topic, Do we Teach or Do we Educate, brought in an intuition to make up the vision of every Teacher was an awesome show.

The Team Building session was quite informative, innovative and interactive which carried the information like Criteria for good teaching, Managing the students etc., by HOS Mr.RamKumar was simply outspoken.

"THE ADVANCEMENT OF KNOWLEDGE AND THE DISSEMINATION OF TRUTH IS THE ULTIMATE GOAL OF EDUCATION"

The IT teachers took over to share some applications that how well technology can be used in the classrooms was well organized by Ms. Joyce, Ms. Sujatha and Ms. Saranyaa. Ms. Deepalakshmi then briefed us on the value-added courses at TGWS.

A Special Resource person, Dr. Praseedha Sreekumar, appeared for the session which was all about Setting a Goal with the sub topic of giving meaning to work was splendidly elucidated.

The introduction of Sports Curriculum by the Sports HOD, Mr. Manigandan.M.N. followed by the Performing Arts being introduced with the curriculum and the team by Mrs. Sumathi.K - the Classical Dance Facilitator performing with the introduction of classicals was a good show.

The programme ended with the Visual Arts session in which the curriculum being followed was orated by Visual Arts HOD, Mr. Senthil Kumar guided by Mr. Jagan. M. was really an impressive one.

"Learning never stops at TGWS..."

INHALE THE FUTURE TO EXHALE THE PAST

International Yoga Day - 21st June, 2022

The Geekay World School instigated the Eighth International Yoga Day on June 21, 2022, with all Zeal and Zest to impart the young strivers to learn and excel in the art of Yoga.

1

The day proceeded with the Assembly by Grade X where they elucidated the true meaning and significance of yoga through a PowerPoint Presentation.

The Yoga display by the Gkains commenced with Pranayama which is the ancient practice of controlling your breath which in turn connects your body and mind. It also supplies your body with oxygen while removing toxins. This is meant to provide healing physiological benefits.

The Geekay World School instigated the Eighth International Yoga Day on June 21, 2022, with all Zeal and Zest to impart the young strivers to learn and excel in the art of Yoga.

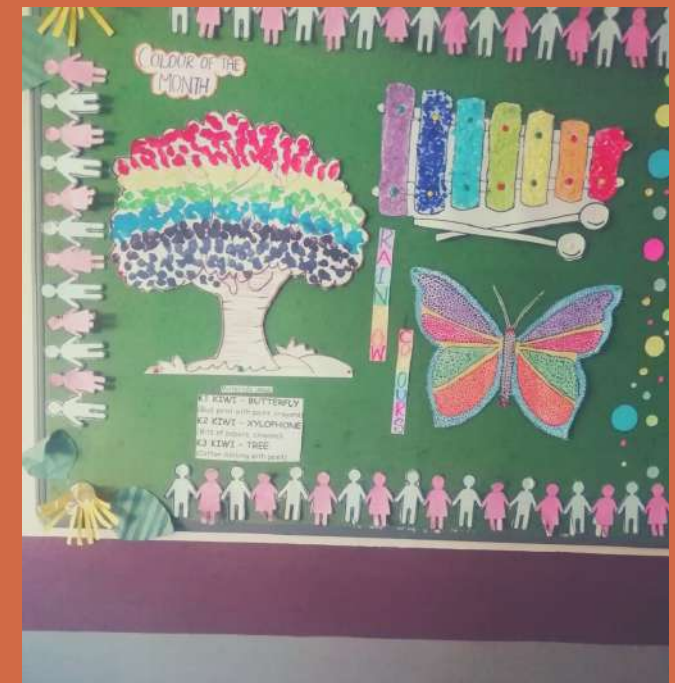

The live performance of Surya Namaskar by the students was an impeccable manifestation by GKians. This is a comprehensive exercise form without any need for equipment. But above all, it is an important tool that empowers human beings to break free from the compulsive cycles and patterns of their lives.

The entire programme highlighted the importance of Yoga and why one should practice it.

EVENT REPORT

COLOUR OF THE MONTH - RAINBOW COLOURS

To make magic with colours, kindergarteners took rainbow colours as April's colour of the month. They were very much fascinated with the colours they used. The little ones from K1 were very much excited to make bud print on the butterfly using rainbow colour paint whereas K2 children coloured and pasted bits of rainbow colour papers on the xylophone. The students of K3 also used paint and made beautiful thumb prints on a big tree. The use of different colours made them energetic and fascinated towards colours.

EVENT REPORT

GRADUATION DAY AND ACHIEVER'S DAY

As their parents and teachers beamed with pride, our Kindergarteners in their adorable graduation garb, received their certificates and graduation kits on April 9, 2022. The day was made incredibly memorable by performances by our little performers from K1, K2 and K3, ranging from a melodious welcome song, ramp walks to scintillating dance numbers. Our little achievers from K1 and K2 were appreciated and validated for their efforts this term. With gushing cheerfulness and enthusiasm in their hearts for the future, our graduands heralded the close of the ceremony by expressing their gratitude towards the school and their loved ones, with a special song.

EVENT REPORT

SPECIAL ACTIVITIES

As the academics got over for the kindergarteners after their graduation day, the teachers engaged them with various mind-blowing activities like Little master Chef and Card making. Children enjoyed cooking safely without using fire and shared their platters with other Pre-primary students and teachers. On the other side, they were very eager to make greeting cards for their friends in order to bid goodbye to their classmates and exchanged the cards among them.

EVENT REPORT

ICE-BREAKING ACTIVITIES

Children were very much fascinated towards the various ice breaking activities being conducted to develop their positive attitude towards school. Bridge courses were conducted for K3 students to recollect the knowledge of their previous grade.

EVENT REPORT

FIRST DAY OF SCHOOL

Kindergarten classrooms were filled with chirping sounds of little buds. Students were welcomed to the classes with the gushing warmth. They enjoyed interacting with each other and took photos with the frames designed especially for them. Children were excited to play different indoor and outdoor games. Their take away was a beautiful stick puppet.

EVENT REPORT

TEACHER'S ASSEMBLY

Our bubbly teachers from kindergarten performed an adorable assembly for their marvellous students. The Physical education teacher entertained with simple warm up session to boost the children whereas other teachers executed dance, action song, simple skit and a crispy talk on classroom behaviour.

EVENT REPORT

SPECIAL WEEK

As it is the beginning of the academic year, this month we celebrated Hello day week as the special week. Children made birthday cards and exchanged with their friends. K1 students pasted heart cut outs on the card whereas K2 made hearts by thumbprint in the front page and drew balloons inside the card. The students from K3 crafted cupcakes in the front page and wrote Happy birthday inside.

EVENT REPORT

SCHOOL TOUR

As a part of Ice-breaking activities, kindergarteners walked on to explore the amenities of their school. They were overwhelmed to see the water flowing in the swimming pool and tried playing with the musical instruments in the music room which made them even more enthusiastic. The school tour made them understand not only about the various assets of their school but also discipline.

A STUDENT'S BEST FRIEND- TEACHER

Although working with small children is tiring and demanding, I love being a preschool teacher. I enjoy helping children explore and try things out by playing and learning activities. I am an active participant in helping a child make developmental steps with their skills and abilities. My main responsibility is to create an atmosphere where children can make discoveries and learn how to express themselves verbally, mentally and physically.

At times, it can be really exhausting and requires a great deal of patience. Nothing can annoy me these days, seeing a child throwing tantrums is part of my daily life, but at the end of the day it is rewarding. Just when I am about to question how much more patience I have, just when I start wanting to give up – my students will have a breakthrough, and that is the time I want to kiss the ground, and do my happy dance.

Every day brings something new. Young children are honest and hilarious. Sometimes I feel like I am the student and they are the teachers. Every day brings about a new development, a new funny moment for everyone to laugh at and unexpected challenges that teach me to embrace the unexpected parts of life and accept the things I have no control.

Ms.Gajalakshmi
Pre-Primary Facilitator

PARENT TALK

I am thankful that TGWS has inspired hope, spiritual with imagination and provides good skill for learning in students. The efforts put in by the co-ordinators are very fulfilling.

I am very appreciative of what the children are accomplishing and am sure that the school will do everything to its best for what children could gain good knowledge and success in its academy.

As a parent of KRUPA-K2 and HARSH-G6, TGWS has given us the opportunity to experience and recognize what our children are learning through various interactions in school and also provides opportunity to express the students talent in various sports activities. We parents are feeling grateful to be a part of it.

Parent of
Grade 6 HARSH

A very big Thanks to the academic facilitators and other supporting staffs of TGWS.
