The Investiture Ceremony of The GeeKay World School was celebrated with great pride and enthusiasm

Van Mahotsav was celebrated with a meaningful rally and awareness campaign at Sholinghur & Kaveripakkam

The GeeKay World School Celebrates its 15th School Day with Grandeur

Investiture Ceremony

The Investiture Ceremony of The GeeKay World School for the academic year 2025-2026 was celebrated with great pride and enthusiasm. Our Managing Director, Mr. Vinod Gandhi, and Head of School, Mr. Ramkumar, attended the ceremony along with parents and teachers, all of whom participated with great enthusiasm. At TGWS, we believe in nurturing leadership qualities, fostering team spirit, and encouraging a positive attitude among students.

The ceremony began with a prayer song, followed by a welcome address delivered by M. Hema Bhavani from Grade 11. The Student Council members marched in proudly, eager to contribute their best to the school. This was a delightful experience for all in attendance. Mr. Vinod Gandhi conferred badges and sashes to the students, while Mr. Ramkumar administered the oath. In his speech, Mr. Ramkumar emphasized the essential traits of effective leaders and their contributions to the vision of our school. He also commended the efforts demonstrated by the students during the election process. Students from Grade 9 presented a group song focused on the theme of leadership.

The ceremony concluded with a vote of thanks proposed by Mahika from Grade 11, followed by the singing of the School Song and the National Anthem.

Vanmahotsav

On Saturday, July 5, 2025, The Geekay World School organized a meaningful rally and awareness campaign to celebrate Van Mahotsav, India's festival dedicated to promoting greenery and forest conservation. This year's celebration carried the inspiring theme "Ek Ped Maa Ke Naam," meaning "One Tree in the Name of Mother." This theme emphasized the emotional and environmental significance of planting trees as a tribute to mothers and Mother Earth. Students, along with teachers, actively participated in the rally, marching from Sholinghur town to the Sholinghur Bus Stand while holding colourful placards with slogans to raise awareness about environmental protection. The enthusiastic involvement of both students and faculty highlighted the collective

responsibility for safeguarding nature. As part of the programme, impactful speeches were delivered at both Sholinghur and Kaveripakkam, stressing the importance of trees in combating climate change and maintaining ecological balance. The students also presented a skit and performed an awareness song at Sholinghur, captivating the audience and reinforcing the Van Mahotsav message. The rally and ceremony were officially inaugurated by Mr. Ramkumar, the Head of School, whose support was instrumental in the initiative's success. The management of The Geekay World School praised the efforts of the students and teachers, stating that Van Mahotsav is not just a celebration but a reminder to actively contribute to a greener planet. Through this initiative, The Geekay World School reaffirmed its commitment to building a sustainable future by encouraging everyone to plant "One Tree in the Name of Mother."

School Day

The GeeKay World School Celebrates Its 15th School Day with Grandeur

The GeeKay World School (TGWS) celebrated its 15th School Day with great enthusiasm on July 7, 2025. The event reflected the school's achievements and growth over the years. It was attended by several distinguished guests, including the Managing Director, Mr. Vinod Gandhi; Ms. Sheela Vinod, a member of the school's management; and the Head of School, Mr. Ram Kumar, whose presence added significance to the occasion. The proceedings began with a Universal Prayer, setting a spiritual tone for the celebration. Rohan, a student from AS level, warmly welcomed everyone in attendance. The audience then enjoyed a series of lively and colorful performances by students that showcased a blend of talent and creativity, making the event memorable for all.

Mr. Vinod Gandhi commended the efforts of everyone who contributed to the institution's journey and acknowledged the constant support of the school community, extending his best wishes for a successful academic year ahead.

A highlight of the event was the presentation titled "Journey of TGWS from 2010 to 2025," which chronicled the school's evolution and significant milestones. Ms. Sàsikala, the Coordinator of Middle School, also shared personal anecdotes, adding a heartfelt touch to the celebration.

Cultural performances featuring music, classical dance, and western dance captivated the audience, showcasing the diverse talents of TGWS students.

The event concluded with a vote of thanks delivered by Shiphrah from Grade 10 IGCSE. The celebrations ended on a patriotic note with the singing of the School Song, followed by the National Anthem.

ELDROK Award

Eldrok India organized the India K-12 Summit at the Taj Wellington Mews in Chennai on July 23, 2025. Our CBSE Secondary School Coordinator, Ms. Mujeeba, and Cambridge Exams Officer, Mr. Boopathy, attended the event.

The K-12 Summit serves as a platform to discuss best practices in education, addressing challenges in teaching and learning, experiential learning, inclusive education, art integration, technology in education, and many other areas. Participants engaged in panel discussions on topics such as "Empowering Gen Z Learners: Leveraging AI to Revolutionize Education for Future Generations" and "Fostering a Culture of Innovation: Encouraging Creativity and Critical Thinking." Educators, policymakers, administrators, and stakeholders from various organizations led several real-life discussions.

Eldrok India honored The Geekay World School with a special award for "Excellence in Digital Learning Programs."

Young Indians Parliament at VIT, Vellore

Students from The Geekay World School participated in the two-day Young Indians Parliament (YIP) event held at VIT, Vellore. They engaged in meaningful debates, mock parliamentary sessions, and leadership activities alongside peers from various institutions. We are proud to announce that A. Trinity (A Level, Cambridge) was selected as one of the Top 30 Delegates, while Kanishka G. (Grade X, CBSE) won 2nd Prize for Best Speaker for her outstanding performance. Additionally, Kanishka has been selected for the State-Level YIP event to be held in Madurai. This remarkable achievement showcases our students' confidence, clarity of thought, and commitment to civic engagement.

Colour of The Month - Green

Green is the colour of nature, symbolizing growth, harmony, and balance. It represents trees, grass, and leaves, reminding us of the beauty and importance of our environment.

To kick off July, our Kindergarten celebrated the colour green. Students and teachers wore green attire to promote the "Go Green" concept. Our little learners participated in fun activities that encouraged them to appreciate the significance of "going green." It was a fantastic way to introduce our young explorers to the value of taking care of our planet!

Van Mahotsav - Seed Sowing

During Van Mahotsav week, our Kindergarten students had a wonderful time sowing seeds! They learnt about the importance of trees, the process of germination, and the joy of nurturing their own plants. This activity not only taught them about science but also instilled a sense of responsibility and love for nature. We are proud of our young gardeners and can't wait to see their plants grow!

Paper Bag Day

Our Kindergarten students celebrated Paper Bag Day by making their own paper bags. This engaging activity was designed to raise awareness about the importance of reducing plastic bag usage and promoting eco-friendly alternatives. By creating paper bags, our young learners gained a better understanding of sustainability and how their choices can impact the environment. Let's join forces to reduce plastic waste and make a difference!

Talent Hunt Show

Our Kindergarten students amazed us with their creativity and confidence at the Talent Hunt Show. The K1 class melted hearts with their presentation titled "Baby Me," where they shared adorable stories and baby pictures. The K2 students impressed everyone with personalized pamphlets featuring their favourite things in "My Own Pamphlet." Meanwhile, the K3 class showcased their artistic flair through drawings and pictures in "My Scrapbook." We're incredibly proud of our little stars!

Indoor Activity

Our Kindergarten students had a wonderful time participating in creative indoor activities this month. The K1 students explored colours through the Magic Palm activity, where they transformed their handprints into vibrant butterflies. The K2 students enjoyed a Mix and Match puzzle game, assembling pictures of family members. Meanwhile, the K3 students created their own ID cards by drawing self-portraits, colouring them, and writing their names. These hands-on tasks not only sparked creativity but also encouraged self-expression and problem-solving skills.

Sports

At TGWS, our partnership with SportzVillage provides an engaging and age-appropriate sports curriculum for our Kindergartners. This programme not only promotes health and fitness but also helps children develop essential skills such as coordination, teamwork, and spatial awareness through fun, playful activities.

This month, our little ones participated in a variety of exciting sessions. The K1 children engaged in the Slow and Fast Vehicle Race, where they learned about speed while staying active. The K2 students enjoyed the Shape Walking activity, which combined movement with shape recognition interactively and enjoyably. Meanwhile, the K3 class took part in the Direction Walk, where they explored directions—East, West, North, and South—through energetic play. These activities made learning joyful and meaningful, helping children experience a perfect blend of physical movement and foundational concepts.

Assembly

In a heartwarming assembly titled "Gratitude is the Best Attitude," our Kindergartners presented a delightful performance that celebrated the power of thankfulness. Through a skit, song, and dance, the children demonstrated how small acts of gratitude can bring joy, strengthen relationships, and foster a positive mindset. Their heartfelt presentation was both inspiring and uplifting, leaving the audience with a beautiful reminder to appreciate life's blessings.

Coffee Lounge

The first Coffee Lounge for Kindergarten took place on July 26th and saw enthusiastic participation from parents. Ms. Merline Powell, the Pre-Primary Coordinator, provided an insightful overview of the GIPP curriculum and the teaching methodologies used in our classrooms. The theme, "Plant Kingdom," was creatively showcased in collaboration with the Kindergarten teachers, highlighting how academic concepts are brought to life through engaging activities.

Parents actively participated in the session and expressed their appreciation for the depth and approach of the Pre-Primary curriculum. They received a charming booklet designed by the teachers, which captured the key points from the session. The Coffee Lounge served as a valuable platform to strengthen the bond between teachers and parents while fostering a sense of shared learning.

Teacher Talk

As a new teacher, I feel a mix of excitement and nervousness. There's a strong sense of anticipation as I step into the classroom, eager to make a positive impact and build meaningful connections with my students. However, I also have natural concerns about effectively managing the class and whether my lessons will truly engage the learners. Despite these initial nerves, I am deeply enthusiastic about sparking curiosity and inspiring young minds. With hope and determination, I believe that, over time, I will find my rhythm and create a warm, engaging learning environment. Amid the new routines and unfamiliar faces, I have a sincere desire to make a difference, balanced by the vulnerability that comes with embarking on this new chapter of my teaching journey.

-Ms. Vishnu Priya
Grade 3 HRT

Parent Talk

Choosing the right school is one of the most important decisions for any parent, and I'm pleased to say that The Geekay World School has exceeded our expectations in every way. It's more than just a place of learning; it's a space where children are encouraged to explore, express, and grow. What truly stands out is how the school combines academic excellence with real-world skills. Whether through robotics, theatre, debate, or sports, every child is allowed to discover their interests and shine in their unique way. My child arrives at school each day filled with enthusiasm and comes home with new stories, ideas, and growing confidence.

Beyond academics and activities, what we value most is the school's focus on character development. Leadership, empathy, and responsibility aren't just taught; they are practiced. The guidance and warmth of the teachers have left a lasting impression on my child's growth.

The open and consistent communication with parents also greatly enhances our experience. Whether it's progress updates or parent interactions, we always feel involved and informed, which fosters a sense of trust and partnership. We feel proud and fortunate to be part of a school community that nurtures not just minds, but also hearts.

The Geekay World School is helping to shape a generation that is ready to lead with courage, think clearly, and act with kindness.

-Ms. D. Revathi
