The 79th Independence Day was celebrated with great enthusiasm and patriotic fervour.

Sparta , the annual sports meet was celebrated with lot of enthusiasm and energy.

TGWS hosted a chief minister trophy swimming and basket ball competitions.

Independence Day

TGWS celebrates India's 79th Independence Day

The 79th Independence Day was celebrated with great enthusiasm and patriotic fervour at TGWS on August 15, 2025. The school premises were beautifully decorated with tricolour flags, flowers, and posters depicting freedom fighters and national symbols.

The celebration began at 8:00 a.m. with the hoisting of the National Flag by the Head of School, Mr. Ram Kumar, followed by the singing of the National Anthem, which filled the atmosphere with pride and patriotism. The Head Boy, Jishnu, welcomed the gathering. Devi Durga and Afrah Nausheen from Grade 6 delivered speeches highlighting the role of students in nation-building while also remembering the great leaders and their contributions to the nation.

A short cultural programme was presented by the students, which included patriotic songs, dances, and skits portraying the sacrifices made by our freedom fighters. A special play on the life of Begum Hazrat Mahal, highlighting her bravery during the Revolt of 1857, was performed and received great appreciation from the audience. The programme concluded with a vote of thanks proposed by our Head Girl, Miruthula. The day was memorable, instilling a deep sense of pride and responsibility in everyone's heart.

Jai Hind!

Sparta

The Geekay World School, Ranipet, celebrated its 16th Annual Sports Meet, SPARTA, on August 30, 2025, with grandeur, energy and spirited participation. The day was a perfect blend of colour, camaraderie, and competition, bringing together students, staff, parents and dignitaries to celebrate the true essence of sportsmanship.

The ceremonial arrival of the Chief Guest, Ms. D. P. Ezhilmathi, an International Volleyball player, was marked with a rousing school band performance and the proud march of the student council. She was warmly received by Mr. Vinod Gandhi (Managing Director), Mr. Ram Kumar (Head of School), and the Coordinators.

The school song was rendered with pride, followed by the welcome address from Sports Captain, Trinity Devi. One of the most captivating moments of the morning was the March Past. The four houses, Air, Earth, Fire, and Water, marched in synchrony, saluting with precision and discipline. Leading the parade were Head Boy Jishnu A, Head Girl D. Mirudhula, Sports Captain Trinity Devi, Vice-Captain Harsh P, Cultural Secretary Darshita Prakash and other student leaders who epitomised grace and leadership.

The lighting of the torch added symbolic brilliance to the event. Sports Captain, Trinity Devi, lit the cauldron, thus symbolically initiating the event. The oath-taking ceremony, led by Trinity Devi, pledged every student to uphold fairness and discipline in Sports.

In her address, the Chief Guest, Ms. D.P. Ezhilmathi, praised TGWS for fostering a strong sporting culture and reminded students of the importance of discipline, focus and teamwork. She later declared the Sports Meet open.

The day unfolded with a lively sequence of track events, field competitions, and cultural drills. The Kindergarteners delighted the audience with their Butterfly Drill, followed by the Lower Primary Frame Drill, the Upper Primary Chess Drill, and the Middle School Pole Drill. The Secondary School presented a serene and powerful Yoga Display, showcasing balance and discipline. Each drill reflected creativity, rhythm, and teamwork, earning thunderous applause from the audience.

The track events included the 80m, 100m, and 200m races across sub-junior, junior, senior, and super senior categories, in addition to the much-awaited relay races for all levels. The relays, especially the Senior Secondary Mixed Relay, stood out as electrifying contests of speed and coordination. The Kindergarten and lower primary track events added charm and cheer, while the parents' events brought infectious energy, proving that sporting spirit runs across generations at TGWS.

The highlight of the day was the prize distribution ceremonies, where winners of the track events were felicitated by the Chief Guest and other dignitaries. Individual championships were also awarded, recognising the hard work and excellence of outstanding athletes.

The event concluded with the distribution of prizes for parents, teachers, and non-teaching staff, honouring every part of the TGWS community. The final announcement of the Overall House Championship brought the day to a spirited close, as the victorious Fire House was cheered by all.

With vibrant displays, competitive events, and heartwarming moments, TGWS Sparta 2025 truly embodied the values of speed, spirit and sportsmanship. It was a celebration not only of athletic excellence but also of unity, resilience and the joy of being part of the TGWS family.

CM Trophy

TGWS hosts Chief Minister's Trophy

The Chief Minister's Trophy Swimming and Basketball competitions were held in TGWS on 26.08.25. Shri. R. Gandhi, Minister Handlooms & Textiles, Tamil Nadu inaugurated the event in the presence of Dr. J. U. Chandrakala IAS, Collector, Ranipet District, Mr. J. L. Eswarappan, MLA, Arcot, Mr. Vinod Gandhi, Managing Director, TGWS and Mr. Gyanasekaran, District Sports Officer. More than 600 participants from various schools in Ranipet Dt. Participated in this event. We are happy to share that our students won several prizes in the swimming competition.

Expressions - Vedavalli Vidyalaya

On August 9, 2025, our students participated in Expressions, an inter-school cultural fest hosted by Vedavalli Vidyalaya, Ranipet. The theme for this year's event was "Tradition Meets Modernity," featuring a variety of competitions across multiple categories. The fest brought together participants from numerous schools, fostering creativity, collaboration, and healthy competition.

With over 20 schools from the Ranipet district taking part, our children competed in several categories and made us proud by winning the overall championship.

Cambridge Exam Result

TGWS Students Excel in Cambridge Exams.

The Cambridge June 2025 examination results brought great pride to The Geekay World School. Six students from Grade 10 IGCSE had registered for the O Level Tamil examination, and their hard work yielded outstanding results.

Three students secured an A*, two students achieved an A, and one student earned a C, a true testament to their dedication and perseverance.

The Management, Head of School, Coordinators, and Staff of The Geekay World School extended their heartfelt congratulations to these students for their exceptional performances. These accomplishments reflect the school's unwavering commitment to academic excellence.

Assemblies

Primary - Grade 5 Alpha

Day: 1-8-25 (Friday)

On 1-8-25, Grade 5 Alpha conducted an assembly on the Armed Forces (Army, Navy and Air Force) which was a memorable event. The assembly began with the School Prayer, setting a reverent tone for the day. This was followed by Yoga, which helped students focus and energise for the day ahead. The Thought for the Day focused on confidence, inspiring students to believe in themselves. The News segment kept everyone updated on current events. The roles and responsibilities of the Armed Forces were depicted through an interview. This was an engaging way to educate students about the importance of the Army, Navy, and Air Force. The assembly culminated with a powerful Dance Drama, which depicted the life of a brave Army soldier. The dance drama beautifully showcased the soldier's dedication, selfless love, and ultimate sacrifice for the country. The assembly concluded with a Teacher's Talk, emphasising that the Jawans are indeed the real superheroes of our country. The talk inspired students to appreciate and respect the sacrifices made by our brave soldiers.

Middle School - Earth House Assembly

An assembly was conducted by Earth House on July 30, 2025, under the guidance of Ms. Yuvasri. The assembly commenced with the school song, followed by yoga, a thought for the day, the Thirukural, an idiom, and a new word. An elocution competition was conducted during the assembly on the inspiring topic "Role of Students in Nation Building." & "சுதந்திரம் சமத்துவம், சகோதரத்துவம்". The event was designed to encourage students to express their views, enhance their public speaking skills,

and reflect on their responsibilities as young citizens. Students actively took part in the competition. Each participant confidently delivered their speech, highlighting key points such as:

- The power of education in shaping responsible citizens.
- The importance of discipline, dedication, and innovation among students.
- The role of students in spreading awareness and leading by example.
- Participation in social service, environmental conservation, and digital literacy.

The speakers were judged based on content, delivery, expression, and overall impact. Certificates for the LSA and SOF examinations were distributed. The assembly finally concluded with the school song and the National anthem.

Grade 6

The school assembly conducted by G6 on 6th August paid rich tribute to the nation and its history. Kishan and Dharshini were the hosts. The assembly began with a prayer song, followed by a meditation session to set a reflective tone. Students participated by sharing idioms and phrases, promoting linguistic skills and creativity. A thought-provoking message emphasised the importance of nationality and patriotism. Students enacted the historical event, highlighting the struggle for freedom and its significance. The assembly concluded with JAM activity, Thirukkural, the School Song, and the National Anthem. The assembly had a profound impact on the students, fostering patriotism, national pride, and cultural awareness. It encouraged student participation, leadership, and creativity, making it a memorable experience for all involved. It served as a reminder of the importance of patriotism, cultural appreciation, and national pride.

Secondary - Inter House Cultural's

MIME

On 31st July 2025, an Inter house mime show was conducted on the topic "Beti Bachao Beti Padhao" for secondary children.

The results are as follows,

Water House - 1st Place

Air House - 2nd Place

Earth House - 3rd Place

On 7th August 2025, an Inter house group singing competition was held in the assembly for secondary Children. The results are

Water House - 1st Place

Air House - 2nd Place

Fire House - 3rd Place

Leadership Activities

Primary

Our students showcased their creativity, teamwork, and appreciation for one another through a series of engaging leadership activities. Here's a summary of the activities:

Grade 1: Buddy Finger Print

Children enthusiastically participated in a fingerprint activity, creating vibrant artwork with their own fingerprints and those of their friends. They confidently presented their projects to the judges, showcasing their artistic skills and teamwork.

Grade 2: Buddy Diary

Grade 2 students created a colourful "Buddy Diary" by collecting papers and compiling them into a 5-10 page book. They wrote about their friends, including their wishes and ambitions, and added fingerprints to make it a personal touch. The diaries were innovative and showcased the students' interest in their peers.

Grade 3: Friendly Flower

Grade 3 students prepared a "Friendly Flower" chart, highlighting their friends' positive character traits on each petal. They decorated the flowers with stones, and some even added photos. The finished flowers were beautifully presented, and the students proudly explained the significance of each petal to the judges.

These activities fostered a sense of friendship, creativity, and leadership among our students, and we're proud of their accomplishments!

Cambridge

On 11th August 2025, the students of Grades 6, 7, and 8 celebrated Friendship Week with great enthusiasm as part of their leadership activity. The event provided a wonderful platform for students to showcase their creative talents while strengthening the bond of friendship.

Each grade took part in a unique activity—Grade 6 engaged in a photo frame-making competition, Grade 7 displayed their skills through wall-hanging making, and Grade 8 explored creativity by designing keychains. The children participated with energy and excitement, bringing out colourful and innovative creations. This celebration not only fostered creativity and innovation but also encouraged teamwork, collaboration, and the joy of learning together. The activities created lasting memories, making the Friendship Week both meaningful and enjoyable for the students.

Middle School

The GeeKay World School's Friendship Day celebration was a resounding success, showcasing the creativity and talent of its students. The event featured a range of activities, including photo frame-making for Grade 6, wall hanging creation for Grade 7, and keychain crafting for Grade 8. These thoughtful gestures allowed students to express their appreciation for their friends and demonstrate their artistic skills. The evaluation and prize-awarding process added a touch of friendly competition, motivating students to give their best. Overall, the event was a wonderful opportunity for students to bond, be creative, and celebrate the joy of friendship.

Oral Hygiene - Primary

A highly informative and interactive session on Oral Hygiene, titled "SMILE BRIGHT, BRUSH RIGHT", was conducted for upper primary students by Dr. S.Vidya B.D.S; F.G.D; T.O.T; D.H.A (Dental Surgeon). The session aimed to educate students on the importance of maintaining good oral health.

Key topics covered during the session included:

- Importance of Oral Hygiene: Students learnt why oral hygiene is crucial for overall health.
- Ways to Brush: Proper brushing techniques were demonstrated.
- When and How to Brush: Students were taught the correct frequency and method of brushing.
- Dos and Don'ts: Key guidelines for maintaining good oral health were shared.
- Diet for Healthy Teeth: The importance of a balanced diet for healthy teeth was emphasised.
- Cavities: Students learned about the causes and prevention of cavities.

The session was highly interactive, allowing students to clear many of their queries. The engaging format made the learning experience enjoyable and memorable. Overall, the "SMILE BRIGHT, BRUSH RIGHT" session was a resounding success, empowering upper primary students with the knowledge and habits necessary for maintaining good oral health.

Middle School

A highly informative and interactive session titled "Stay Clean and Stay Confident" was conducted exclusively for the girls of Middle School by Dr. S. Vidya (B.D.S., F.G.D., T.O.T., D.H.A.), a renowned dental surgeon. The session aimed to raise awareness among girls about the importance of maintaining personal hygiene and managing stress effectively. Key topics discussed included day-to-day cleanliness practices and how to take care of oneself during the menstrual period. The session was interactive, encouraging students to clear their doubts, which made the experience engaging and meaningful.

Key topics covered during the session included:

- Daily cleanliness habits (bathing, oral care, grooming)
- Benefits of staying clean for physical and mental health

The session started with Oral Hygiene Practices, Menstrual Hygiene Awareness , Confidence Through Cleanliness, Stress Management Tips and finally ended with an interactive Question & Answer Session

Overall, the session proved to be a valuable learning opportunity, empowering students with the knowledge and confidence to maintain good hygiene and lead healthier lives.

Primary Classroom Activity

The primary classrooms at TGWS have been vibrant hubs of active learning, with students engaging in a variety of interactive and skill-based activities to deepen understanding and sustain interest.

1. English

- Story sequencing and picture-based storytelling to improve narrative skills.
- Group reading circles to enhance fluency and comprehension.
- Word-building games to expand vocabulary.

2. Mathematics

- Hands-on activities using manipulatives for addition, subtraction, multiplication, and division.
- Real-life application tasks like measuring classroom objects and counting items.
- Math puzzles and games to encourage logical thinking.

3. Science & EVS

- Observation-based learning through classroom experiments.
- Model-making to demonstrate concepts like the water cycle, plant growth, and simple machines.
- Group discussions on environmental care and healthy habits.

Field Trip - Cambridge

PERSONAL REFLECTIONS OF FIELD TRIPS

Driving into the Future: Visit to Greaves Cotton Ampere

By Nikhileshwar Reddy - AS Level

We, as students of TGWS, recently explored the Greaves Cotton Ampere electric vehicle manufacturing facility at SIPCOT, Ranipet. The visit offered a close look at how modern, sustainable manufacturing is powering India's electric mobility revolution.

From learning about Ampere's mission to promote affordable green transport to witnessing the streamlined assembly of electric scooters, the experience showcased innovation, precision, and teamwork in action. Advanced technology, skilled hands, and a strong commitment to sustainability made it clear how industries like Ampere are helping shape a cleaner, greener future for the nation.

"Seeing technology and sustainability work hand-in-hand was truly inspiring."

Powering the Future: TGWS Visit to Greaves Electric Mobility

By – Mohitha P. - G7 Cambridge

As part of our educational field trip, we visited Greaves Electric Mobility Ltd in Ranipet to explore the exciting world of electric transport. This hands-on learning experience gave us a close-up view of how technology and innovation are driving the future of mobility. From observing the manufacturing process to understanding how electric vehicles reduce environmental impact, the visit was both eye-opening and inspiring. It helped bridge the gap between what we learn in class and how it applies in the real world. Seeing sustainable technology in action made me realise how rapidly transportation is evolving—and how important it is for our future. A big thank you to TGWS for making this enriching experience possible!

Formative Assessment 2 & PTM

Formative Assessment 2 for Grades 6 to A Level was conducted from 13th to 23rd August 2025. The assessments aimed to evaluate students' conceptual understanding, application skills, and consistent learning progress across all subjects. Teachers have provided detailed feedback and identified areas for improvement to help students enhance their performance in the upcoming term. The Parent-Teacher Meeting (PTM) for the same is scheduled for 6th September 2025. This session will provide parents with an opportunity to review their ward's academic progress, discuss strengths and developmental areas, and work collaboratively with teachers to ensure optimal learning outcomes.

Career Counselling for students in TGWS

The Beyond Mentor Career Counselling Programme was organised at TGWS for students in Grades 9-12 from August 5 to August 9, 2025.

The programme began with an Orientation Session for the students, featuring a PowerPoint presentation that provided an overview of career counselling, self-discovery, and exploring various career options. On August 5 and 6, 2025, a Psychometric Test, a scientific method to measure students' aptitudes, interests, and strengths, was conducted. Grade 9 students participated in a session focused on self-assessment, exploring options, and setting goals. From August 7 to 9, Individual Career Counselling Sessions for Grade 10 students and Group Sessions for Grades 11, 12, AS, and A Level students were held.

The career counsellors engaged students in various activities aimed at helping them explore career options, identify their interests, and develop essential skills. Discussions took place between

parents and counsellors, providing insights into students' aspirations and encouraging exploration. Open communication was promoted to aid decision-making, and the performance of students in the Psychometric Test was also discussed. On the final day, an Entrance Pathway Discussion was held for students in Grades 10 and 12. Students from both the Cambridge and CBSE streams attended an insightful session titled "Entrance Exam Pathway Session After 12th," designed to guide them through the wide array of opportunities available after school.

The session "Know Your Options" encouraged students to reflect on the various choices before them. An interactive discussion addressed a critical question: "What if I write them, and why?" This prompted participants to consider the value and purpose of attempting various entrance exams. Experts then categorized entrance exams by field, enabling students to clearly identify pathways aligned with careers in engineering, medicine, law, management, and other professional domains. The discussion also covered international entrance exams, shedding light on opportunities abroad and the preparation strategies necessary for success. One of the most engaging segments helped students understand "How to Choose the Right Exam," equipping them with practical decision-making frameworks based on their interests, aptitudes, and long-term career goals. Overall, the event proved to be a valuable resource for students facing important academic decisions, leaving them better informed and more confident about their future choices.

Sports

Inter-House Competition

Athletics

The Inter House Athletics competition was held from 14th July to 31st July 2025, on our campus for the Sub junior, Júnior, Senior, and Super Senior Categories.

Tetra Session

The TETRA session conducted online by Dr. Praseedha Sreekumar on the topic “Future Ready Educators” was insightful and thought-provoking. Dr. Praseedha emphasized the evolving role of teachers in the 21st century, highlighting adaptability, creativity, and digital competence as key skills. She also addressed the

pressing question, "Will AI replace teachers?" and clarified that while AI can support learning, it can never replace the empathy, guidance, and human connection of a teacher. The session encouraged educators to embrace technology, foster critical thinking, and commit to continuous growth. Participants found it enriching and inspiring, motivating them to become truly future-ready educators.

Teachers Training Programme

02.08.2025 அன்று வேலூரில் மொழி வீடு சார்பாக யாதும் தமிழ் நடத்தும் தமிழ் ஆசிரியர்களுக்கான பயிற்சி முகாம் அனுகூலம் குடியிருப்பில் நடைபெற்றது. தமிழ் துறை தலைவர், முதன்மை தேர்வு துறை, தமிழ் இளம் நாவலர் திரு. ம. திருப்பதி அவர்கள் சிறப்பு விருந்தினராக கலந்து கொண்டு இந்நிகழ்ச்சியில் மாணவர்களுக்கு விளையாட்டு முறை, நடிப்பு முறை, செயல் திட்ட முறை, மேற்பார்வை படிப்பு முறை, தனிப் பயிற்சி முறை போன்ற அனைத்து தகவல்களும் மிக அருமையாக, தெளிவாக விளக்கினார். இந்த பயிற்சியின் மூலம் மாணவர்களுக்கு கற்றலில் ஆர்வமூட்டுவது எப்படி என்பதையும், பாடத்தின் இடை இடையே கதை, நடிப்பு, விளையாட்டு, புத்துணர்ச்சி ஊட்டுதல், வீர மிகுந்த பாடல்கள், உள்ளத்தை தொடும் உணர்வு, விடுகதை, திருக்குறள் போன்றவை மாணவர்களுக்கு புகுத்தல் வேண்டும். அது மட்டுமல்லாமல் மாணவர்களுக்கு மூளையை எப்படி தூண்டுவது, வாழ்வியல் கல்வி முறை, அற ஒழுக்கம், இருளில் இருந்து எப்படி வெளிச்சத்திற்கு வர வேண்டும் என்பதையும் மிகத் துல்லியமாக அறிந்து கொண்டதை மாணவர்களுக்கு செயல்படுத்துவோம். மாண்புமிக் மாணவர்களை நாங்கள் நன்வழிப்படுத்துவோம் என்று உறுதியளிக்கிறோம். இந்த வாய்ப்பு அருளியதற்கு பள்ளி முதல்வர் ஜயா அவர்களுக்கும், ஒருங்கிணைப்பாளர் அவர்களுக்கும் நன்றியை தெரிவித்துக் கொள்கிறோம்.

Student Article

Caring too much is equal to a pitfall

Caring about what people think isn't always a bad thing; sometimes it keeps us aware of our actions. However, it can feel like we are placing our self-worth in the hands of others, much like relying on report cards. This connects to the concept of ego, which is defined as "a person's sense of self-esteem or self-importance." Essentially, it's the inner voice that tells us, "I matter." A healthy ego is different from a fragile one. When we overly concern ourselves with others' opinions, we allow our ego to dictate our actions instead of our values. However, when we nourish our ego with self-respect and truth, it becomes a protective shield.

It's also important to realise that not all opinions are worth believing. We need to be discerning about whom we trust. Some people voice their thoughts out of jealousy, insecurity, or misunderstanding. It's unwise to invest energy in false narratives; they are not worth your trust. Some may spread rumours not because they know you, but because they wish they could be you. So ask yourself, "Is this person on the same journey as I am? Are they rooting for me, or merely watching from the sidelines?" If we accept every opinion we hear, we risk living someone else's version of our life. Remember, wisdom often hides in darkness; it is your responsibility to bring it to light!

Teacher the Inspirer

Teachers are the guiding lights of society, shaping the future of students with their knowledge, patience, and dedication. They not only impart education but also instil values, discipline, and confidence in young minds. A teacher plays multiple roles: mentor, motivator, and sometimes even a friend, helping students overcome challenges and discover their potential. The bond between a teacher and student is built on respect, trust, and inspiration. Great teachers go beyond textbooks and prepare learners for real-life

challenges. They inspire curiosity, creativity, and critical thinking, the essential ingredients for success. Teachers' Day is celebrated on 5th September in India to honour their selfless service. Truly, teachers are nation-builders, as they nurture individuals who go on to shape society and the world.

Teacher Talk

Being a science teacher has been one of the most rewarding experiences of my life. Every day, I walk into a classroom full of curiosity, energy and eager minds. I've learnt that teaching science isn't just about facts and experiments; it's about sparking wonder.

I feel truly proud when I see my students relate classroom concepts to real life. That moment when they say, 'Oh, now I get it!', that's what makes teaching meaningful. Watching them grow from memorising to understanding, that transformation is my biggest reward as a teacher.

Relating concepts through hands-on activities not only sparks interest but also helps them understand better and remember longer. When students experiment, observe, and explore, science becomes real, not just a subject, but a way of thinking. That's when true learning happens.

Over the years, I've realised that patience, creativity, and connection matter just as much as the syllabus. And nothing beats the joy of seeing a student light up when a concept finally clicks. That's the magic of being a science teacher. We must inspire students to ask questions, think critically, and explore beyond the textbook

A good science teacher makes learning fun, connects theory to real life, and encourages hands-on discovery. Most importantly, we should be patient, passionate, and open to learning ourselves because when we grow, our students grow too.

Parent Talk

The GeeKay World School provides a truly comfortable learning environment, where the encouragement of the faculty helps children focus on their studies while exploring new concepts with curiosity and confidence. Field trips and roadshow activities are highly appreciated, as they not only broaden students' knowledge but also create public awareness. The faculty members inspire every child to excel not only in academics, but also in sports and various talent-oriented programmes. Teachers' nurture and support students' ideas and visions by encouraging them to participate in inter-school competitions, helping them grow into confident and capable individuals. The integrated programme introduced by the school has been instrumental in enhancing students' knowledge, enabling them to plan and prepare for their future careers with clarity and strength. Educational visits to various states and countries provide students with valuable opportunities to explore their cultural heritage and witness technological advancements firsthand. We sincerely wish the school to continue its remarkable efforts in shaping bright Geekayians, who will strengthen and enrich our nation's future.
