# Educational World

TGWS has created a record as the No.1 Day-Cum-Boarding School in Tamil Nadu for the 9<sup>th</sup> consecutive year by the Education World.

Education World in its National School Ranking Survey for 2023-24 awarded The Geekay World School, Ranipet as the No.1 Day-Cum-Boarding School in Tamilnadu for the 9th time in a row. We are also very happy to share that TGWS is ranked 10th in the All India Ranking of Day Cum Boarding Schools.

We in TGWS, through our scientifically designed curriculum ensure that we maintain the educational standards consistently high proving our focus on holistic education.

Mr. Vinod Gandhi, Managing Director, The GeeKay World School, received the award in a glittering Award Ceremony held in New Delhi on 13.10.23

The Management takes immense pleasure in attributing this success to the students, faculty, and parents of TGWS.

# 7<sup>th</sup> Inter-School Sports Festival - 2023

The GeeKay World School conducted its 7<sup>th</sup> Inter-school Sports Festival on the 13<sup>th</sup> and 14<sup>th</sup> of October. The event was open to all the schools around in the sporting events of football swimming, skating, and tennis. More than 600 participants from 22 schools participated in various events. Students from as far as Chennai came to participate in this riveting event.

The sports festival was kicked off by the hoisting of the School flag by our Head of School Mr. Ramkumar after which he declared the sports festival open. The first day saw an overcast sky perfect for all the sporting events. Both football and tennis were conducted in a knockout session where every team got a chance to play with another team. Swimming events and most of the initial matches in football and tennis were played on the first day.

On the second day, the events started at around 9.00 am with the clarion call of the commentators for the football event. The semi-final and finals for both under 16 and under 18 boys and girls were held on the second day. Simultaneously the semi-finals and finals for the tennis for under 14 and 16 boys and girls were held, on the tennis courts. The skating events also commenced at 9.00 am at the TGWS skating rink where more than 170 skaters from various schools and clubs participated.

Post lunch on day 2, the prize distribution ceremony was held at a packed stadium.

We are very excited to share that students of TGWS bagged an overall 16 Gold medals, 19 Silver medals, and 16 Bronze medals in Swimming. TGWS won 5 Gold, 5 Silver, and 3 Bronze in skating. In Football, TGWS was the winner in U16 Boys and runner-up in U18 Boys and U16 Girls. In Tennis, TGWS was also runner-up in U14 Boys, U14 Girls & U17 Girls.

Congratulations to all the TGWS students who enthusiastically participated in this event and brought laurels to the school.

# Juvenile Vend 2023-24

On the 30<sup>th</sup> of September 2023, The GeeKay World School organized a Juvenile Vend as an occasion to fill the campus with the mouth-watering aroma of the delicious food items, prepared, arranged, and sold by our students to each other, their parents, the staff and everybody present in the campus. This event is also aimed at improving children's conversation, marketing, mathematical, creative, and culinary skills.

Our students from Pre Primary, Primary, and Middle School set up their stalls in the classrooms allotted on the ground and first floor as an entire food corridor with different food items being cooked and sold by them, including the billing and tokens. Both the floors were filled with a myriad of delicious delicacies from different parts of the world with the tempting aroma of the preparations.

It was exciting to see the students inviting the parents to their designated stalls with their joyous welcome and menus. It was overwhelming to see the HRTs, support Teachers, and students engaging themselves in the invitation, preparation, presentation, and selling of their varied delicacies.

In a nutshell, the "Juvenile Vend was a Delicious and Aromatic blend in The GeeKay World School," ..... from the sweetest to the spiciest...everything was there to treat your taste buds.

# Colour of The Month - Orange

"The sky takes on shades of orange during sunrise and sunset, the colour that gives you hope that the sun will set only to rise again".

A mix of red and yellow gives Orange and yes, we celebrated Orange as the colour of the month. It combines the passion of the former with the positivity of the latter. As a leap on this, our diligent K1 kids did sponge dabbing for pumpkin. Our tenacious K2 Kiwi kids did scarecrows with spray painting and hay pasting. Artistic K2 Litchi sparklers sprinkled rangoli powder on carrots. K3 Kiwi optimistic children pasted tissue paper on a papaya tree. Elegant K3 Litchi did an orange tree with a pom-pom print.

Colours! Colours! Everywhere!

# Talent hunt show

A great talent finds its happiness in execution.

This month we had a talent hunt show based on singing. Our cute little birds of K1 showcased their talent by singing a rhyme. Our lightning K2 kids had singing idols where cleanliness-themed songs not only highlighted their musical talents but also emphasized the importance of cleanliness and hygiene. Little chirpers of K3 had singing and they innovatively wrote a song and sang it in front of others.

Talents cannot be hidden!

# Indoor activity

Play is our brain's favourite way of learning.

Kindergarten is all about nonstop activities. Our K1 sparklers had a 'sharing day'. They shared their toys, their snacks, and their crayons with their friends. Our fabulous K2 kids had 'classroom-keeping manners' as the theme and they showed how to arrange pencils, books, crayons, bags, and teaching aids in their designated places. Our spectacular K3 kids created music using exam pads, pens, bowls, pencils, etc.

We never compromise on activities!

# Party Dance

Hands in the air like we don't care.

Our efficient Kindergarten kids had a dance event based on a PARTY THEME. Their moves and charms made the entire TGWS upside down.

YOLO – You Only Live Once!

# Assembly

Talent should be awarded and rewarded. Based on their Talent Hunt Show, certificates were issued. The kids were very happy getting the certificates. K3 Litchi sparklers organized assembly based on Wishing Star. They showcased dance, rhyme, story and skit.

Well done creators!

# PTM

PTM is all about building relationships and trust with parents.

Our Kindergarten's 1st PTM was held on 7th October, 2023. Parents and kids felt overwhelmed by seeing the teachers. Not only subject teachers they met but also, teachers of arts, dance, music and sports.

More inductions to go!

# Interaction with Experts

Coming together is a beginning! Keeping together is progress! Working together is success.

We had Ms.Ruqsana Begum, P/O Sheza Mehreen K1, as resource parent and she shared her views on the table manners. Ms. Akila, parent of Shanvik, K2 explained a lot about cleanliness. Her interactive and child-friendly approach made the topic engaging. K3 had 'musical instrument' as a theme and we had Mr. Johnson our music trainer as a resource person. He played the keyboard and other instruments and also engaged the children in 'chorus singing'.

More to extract!

# Dussehra

Dussehra is one of the major festivals celebrated across India. TGWS had a Dussehra assembly by our primary kids. The Festival of Dussehra came alive on stage through skits, songs and dances.

Kindergarten kids enjoyed the festivities and the Golu display.

## Saying NO leads to success

Success is not a tool to measure one's development or progress. It is not even a destination, rather it's part of everyone's life. Success varies for each individual. To achieve success in life we must have the courage to say 'NO' to the people, and to the things which acts as an obstacle for it. Saying NO requires a lot of courage, as an individual at any point time in your life if you feel saying NO to people will be a threat to your development, don't even hesitate in the blink of an eye, keep going because something better than that will be awaiting you. Don't measure your success with others, and don't compare yourself with others, saying a big NO to these brings more confidence and peace in your life.

'NO' is not always a negative word, it brings positivity and peace to humans.

# Parent Talk

We are new to TGWS. It's been 4 months since our son Dhruv Aarav. J is in K3 Kiwi TGWS and we are very happy and satisfied with the way he evolved, learnt, and grew up.

He is progressing well academically and his confidence level has boosted up a lot. We appreciate the teachers for understanding our son and taking great care of him. Regarding PTM, we were happy the way it was conducted, that we could meet all the Teachers incharge of each activity going on in school (eg: swimming, sports, arts and crafts) and were surprised that they knew very well about each kid. Happy to be a part of this school and we would like to extend our sincere gratitude to the entire team of TGWS. Thank you.
